

# Regional Faith Community

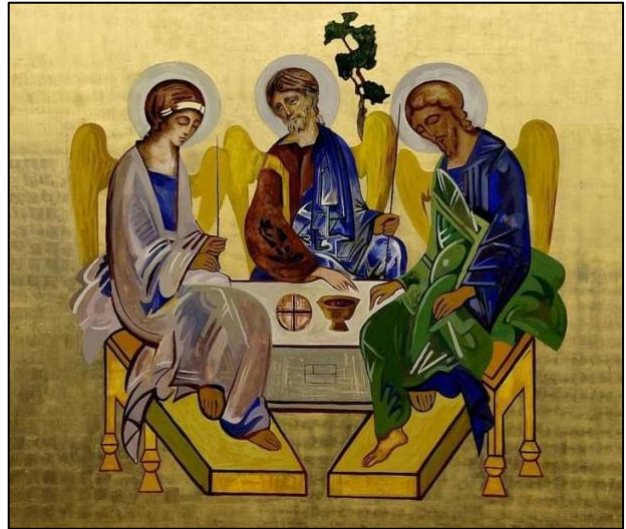

## Deeping Christian Spirituality

For the Regional Ministry Network  
Constance and her Companions

The **Regional Faith Community** is an innovative regional community, now in our 4<sup>th</sup> year, using study and festive Eucharists to discover the joy that deepening our Christian spirituality can bring.

We invite seekers from the Regional Ministry Network of Constance and her Companions to join us. We meet alternately at St. Peter's Mountain Lakes and COTS, Denville.

**Method of study** We take topics to trace through the books of the Bible. Examples would be water, rock, nation, or Lamb of God. A small group tackles a topic (assigned) and researches it through both the Old and New Testament, selecting 4 readings that illustrate the depth / breadth of the topic. That group prepares a "The Liturgy of the Word" which contains both the readings and the group's reflections about the readings and the topic. Then, in this liturgy, the community receives this work, and reflects on how it touches their hearts / opens them to new understandings or insights.

**Starting September 25, 2024**, there are community meetings on the 2<sup>nd</sup> and 4<sup>th</sup> Wednesdays where we have The Liturgy of the Word. When there is a 5<sup>th</sup> Wednesday, we celebrate with Eucharist. In addition, there is an optional opportunity to meet with a small group once a month at the group's convenience to research / prepare one topic.

### ***Each meeting is complete in itself.***

Come as you are able to make time. Drop-ins and newcomers are always welcome. Come to simply observe and listen.

### ***Practical benefits***

**Education:** increase your familiarity with all aspects of the Bible.

**Fellowship:** receive the companionship of other spiritual seekers.

**Holy Spirit in action:** discover deeper meanings and unseen connections in Scripture that can touch your heart as well as interest your mind.
